

Where does our litter end up?  
Number the pictures in order from 1-5 to show what happened to the empty drink bottle.

A turtle in the ocean could be affected by litter 1 drop in the playground:  
no way possibly definitely

Food counts as litter:  
never sometimes all the time

Litter in the playground is a problem for the environment:  
not at all a little bit a lot

When I see people littering...

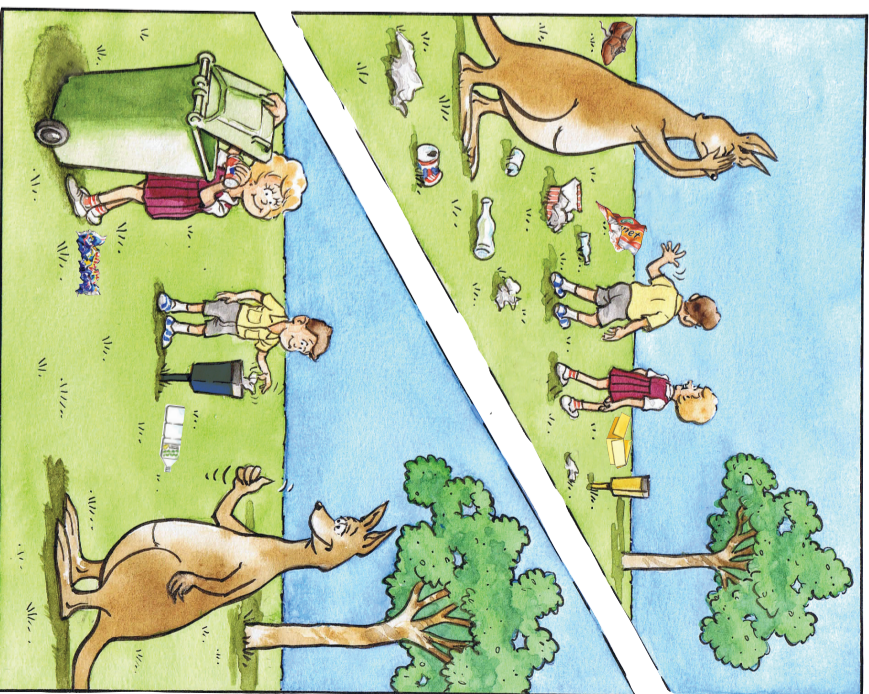

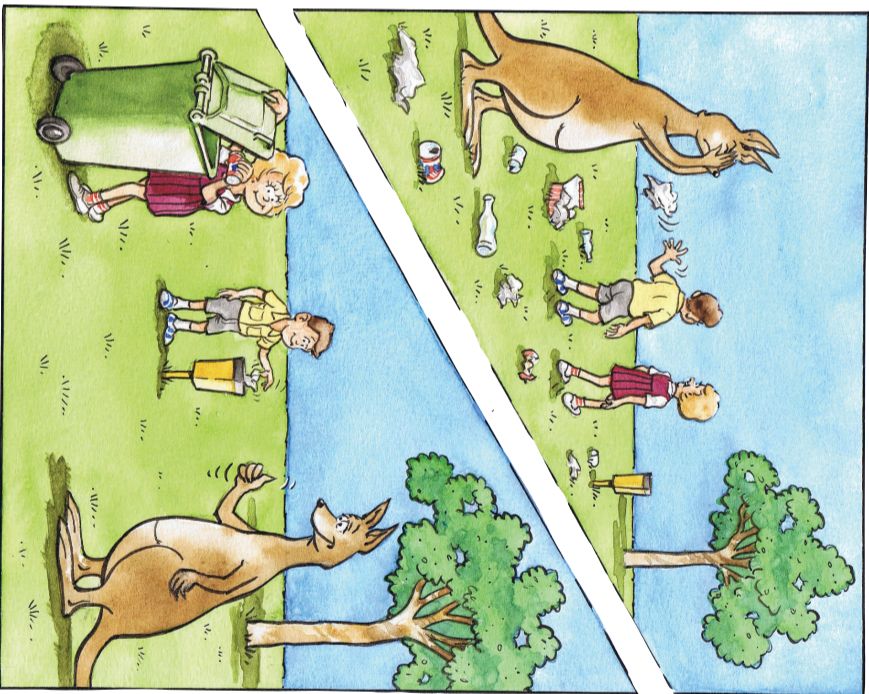

When I see litter at a football, netball or cricket game...

When I see litter in the street...

When I see litter in the school...

Circle the face which shows how you feel.
