

METROPOLITAN
CEMETERIES BOARD

PRODUCT CATALOGUE

2024-2025

The **Metropolitan Cemeteries Board** recognises the significance of commemorating the memory of your loved ones during these challenging times. That is why we make every attempt to provide you with a peaceful experience while you select their perfect resting place.

We understand that choosing cremation is a deeply personal decision and are committed to offering the support and guidance you need. Our wide array of urn options ensures that you'll find the perfect fit, tailored to your preferences in style and budget, regardless of whether you opt to preserve or scatter the ashes.

If you have an ashes collection appointment scheduled, we recommend reviewing this publication and contacting the Cemetery beforehand. This way, we can make every effort to have your preferred urn available for viewing during your visit.

For more information, please get in touch with Client Services at:

SCATTERING TUBE

The scattering tube is a temporary option that can be provided if it is kept away from direct sunlight or damp/wet areas. To use, please remove the lid and push in the perforated circle.

Included in all Scattering Tube products is a  **GEO-CODE** that can be used to tag the locations of the final resting place, and create a unique Memorial, on the online: [Memorial Map](#).
