

Building Services Board Policy

Equivalent qualifications – painting practitioner

OBJECTIVE

The objective of this policy is to guide members of the Building Services Board (Board), officers with powers delegated by the Board and members of the Building Commission staff in making appropriate, consistent and legally defensible assessments of qualifications submitted by applicants for registration as painting practitioners.

SCOPE

This policy applies to all applications made for registration as a painting practitioner under regulation 31 of the Building Services (Registration) Regulations 2011 (the Regulations).

CONTEXT

Section 17 of the *Builders (Registration) Act 2011* and regulation 31 of the Regulations outline the pathways for registration as a painting and the qualification and experience requirements.

TERMS USED

CPC30611 Certificate III in Painting and Decorating (set 1)	Accredited qualification for apprentices in Painting and Decorating and is the prescribed qualification referred to in the regulations
52784WA Course in Painters Registration (set 2)	Accredited course from January 2016 to current
52569WA Course in Painters Registration (set 2)	Accredited course from January 2013 until January 2016
52202 Course in Painters Registration (set 2)	Accredited course from January 2010 until January 2013 and is the prescribed course referred to in the Regulations.
Course in Painters' Registration (National Code 51737) (set 2)	Accredited course from January 2007- April 2010
Certificate IV in Painters Registration (state Code 4700 & 0505) (set 2)	Accredited course from August 2001 – December 2006
Practical Trade Test	Practical assessment of an applicant's skills from 2002 onwards undertaken as part of the Course in Painters Registration
Certificate of Examination	Board's course in Painters' Registration as per the <i>Painters' Registration Act 1961</i> (repealed) and the Painters' Registration Board Rules 1962 (regulations)

POLICY PRINCIPLES

The following policy does not constrain the Board's capacity to depart from this policy as appropriate to the circumstances of any particular request for registration at building service practitioner painter level. The Board revokes all previous policies describing courses equivalent to the course for registration as a painting practitioner.

EQUIVALENT QUALIFICATIONS

The following are determined to be equivalent qualifications for registration as a painting practitioner.

PRESCRIBED QUALIFICATIONS	EQUIVALENT QUALIFICATIONS
<p>Set 1 Registration pathway</p>	
<p>CPC30611 Certificate III in Painting and Decorating as described on the National Register including the units in small business management and estimating and specification that are provided as part of the qualification referred to in paragraph (a)(i) of set 2</p> <p>Note: The term “including” implies that the units in small business management and estimating and specification are provided as part of Certificate III in Painting and Decorating.
