

Statement of experience: Adjudicator Pathway 3

How to complete this form:

1. For registration as an adjudicator in Western Australia under the *Building and Construction Industry (Security of Payment) Act 2021* (the Act) using Adjudicator Pathway 3, please provide details of your experience in the table set out below. **The use of this table is mandatory.**
2. You will need to set out a start and end date for each item of experience claimed in relation to each project. A 'project' may relate to on-site construction experience, or working on a project in an advisory capacity (for example, a construction contracts manager or legal advisor).
3. For each of the items of experience that you list in the table, provide details of your particular role and responsibilities on that project. For each item, specify how your time was allocated as a percentage, for example: 80% contract administration; 20% dispute resolution.
4. Make sure that you list a referee in relation to each project who can verify the experience claimed.

Construction Contracts Experience

Name of applicant:						
No.	Project name	Date range E.g. January 2012 to February 2015.	Applicant's role and responsibilities on the project	Percentage of time in the management and administration of construction contracts	Percentage of time in the resolution of disputes in connection with construction contracts	Referee For each referee, you will need to give their full name, phone number, email and state your relationship to the person.
