

## Commencement Notice: Gas Services Information Rules

Amending Rules GRC\_2018\_01

These Amending Rules were made under the *Gas Services Information Act 2012* and the *Gas Services Information Regulations 2012* on 22 February 2019.

These Amending Rules commence at 8:00 AM on 1 March 2019.

The following clauses are amended (~~deleted wording~~, new wording):

### 82 Zones

- (1) ~~Schedule 2 lists the Zones used for the GBB information display.~~ AEMO must develop and maintain the GBB Zone List.
- (2) ~~The Zones listed in the table at Part 5 of Schedule 3 of the Rules must be the~~ Zones specified in the initial version of the GBB Zone List.
- (3) ~~AEMO must publish the latest version of the GBB Zone List on the GSI Website.~~
- (4) ~~AEMO must not make a change to the GBB Zone List unless it is satisfied that the proposed change is consistent with the GSI Objectives.~~
- (5) ~~If AEMO proposes to make a change to the GBB Zone List, AEMO must publish a notice on the GSI Website:~~
  - (a) ~~giving details of the proposed change;~~
  - (b) ~~stating why the proposed change is required and the effects of the proposed change;~~
  - (c) ~~inviting submissions objecting to the proposed change within a period stated in the notice, which must be at least five Business Days; and~~
  - (d) ~~stating the proposed commencement date of the change, if no objections are received.~~
- (6) ~~On the same day that the notice under subrule (5) is published, AEMO must inform Gas Market Participants that the notice has been published.~~
- (7) ~~If AEMO does not receive an objection in response to a notice published under subrule (5) within the time specified in the notice, AEMO must make the change specified in the notice to the GBB Zone List and publish the amended GBB Zone List on the GSI Website, together with the date the change will take effect.~~

(8) If AEMO receives an objection in response to a notice published under subrule (5) within the time specified in the notice, then AEMO must consult on the proposed change to the GBB Zone List in accordance with the GSI Consultation Procedure.

(9) In deciding whether or not to make a change to the GBB Zone List, AEMO must have regard to the following:

(a) the practicality and cost of making the proposed change;

(b) the views expressed in any submissions received by AEMO on the proposed change; and

(c) any information that AEMO considers necessary to assess whether or not to make the proposed change.

~~(2)~~(10) AEMO may review the Zones, and must do so at least once in each five year period.

~~(3)~~(11) A review of the Zones must be carried out in consultation with Gas Market Participants and gas industry groups.

...

## Schedule 1 - Glossary

...

**GBB Storage Facility** means a Storage Facility that is registered as a GBB Storage Facility under the Rules.

**GBB Zone List** means the list of Zones used for GBB information display developed and maintained under subrule 82(1).

...

**Zone** means a zone set out in Schedule 2 to these Rules category used for GBB information display, comprising one or more specified Transmission Pipelines (or parts thereof) and all Receipt Points and Delivery Points connected to those pipelines (or parts of pipelines).

...

## Schedule 2 - Zones [Blank]

(Subrule 82(1))

~~(1) Schedule 2 specifies the Zones for which information is published on the GBB.~~

~~(2) The Zones listed in the table below include the specified Transmission Pipeline (or part thereof) and all Receipt Points and Delivery Points connected to those pipelines (or parts of pipelines).~~

<b>Zone Name</b>	<b>Description</b>
Dampier	The Dampier to Bunbury Natural Gas Pipeline (DBNGP) upstream of Compressor Station 7 (CS7), the Burrup Extension Pipeline and the Wheatstone Ashburton West Pipeline (WAWP).
Metro	The DBNGP from CS7 to CS10.
Parmelia	The Parmelia Gas Pipeline.
South West	The DBNGP downstream of CS10.
Karratha	The Pilbara Energy Pipeline.
Telfer	The Telfer Pipeline and Nifty Lateral Pipeline.
Pilbara	The Goldfields Gas Pipeline (GGP) upstream of and including the Delivery Point connecting the GGP to the Newman Lateral and the Fortescue River Gas Pipeline.
Goldfields	The GGP downstream of the Newman Lateral to, and including, the Leonora Delivery Point.
Mid-West	The Midwest Pipeline.
Kalgoorlie	The GGP downstream of the Leonora Delivery Point and the Kalgoorlie to Kambalda Interconnect Pipeline.

...

## Schedule 3 - Savings and Transitional Rules

...

### Part 5 Transitional rules for GBB Zones
