

DEPARTMENT OF WATER AND ENVIRONMENTAL REGULATION Relevant regional office based on Local Government Authority (LGA) boundaries map

“to be read in conjunction with the Relevant regional office based on LGA boundaries table”

Purpose of this map is to determine which regional office to send enquiries to.
The department's water licensing, measurement and planning advice functions are regionally delivered, and this map assists with understanding which regions deal with matters within which local government authority.
(Note water licensing boundaries may differ in certain areas).
