Application enquiry for becoming a controlled waste carrier

Environmental Protection (Controlled Waste) Regulations 2004

FORM CW4

The Department of Water and Environmental Regulation (the Department) regulates the transportation of controlled wastes.

The [*Environmental Protection \(Controlled Waste\) Regulations 2004*](#) (the Regulations) provide for the licensing of carriers, drivers, and vehicles involved in the transportation of controlled waste on roads in Western Australia (WA).

Retain a copy of this form for your records.

For further information please refer to the Regulations.

If there is insufficient room on any part of this form, continue on a separate sheet of paper and attach to this form, numbering ALL pages.

Incomplete or illegible application enquiries will not be processed. If you are unsure about completing any part of this application enquiry, please contact Controlled Waste on +61 8 6364

Part 1 Applicant

- 1 Company name;
- 2 Partnership;
- 3 Sole Trader (Individual);
- 4 Full name of all trustees; or
- 5 Local government authority/regional council, as appears on documentation.
