

## State Design Review Panel – Biographies

---

|                           |   |
|---------------------------|---|
| <b>Anthony Brookfield</b> | Anthony is a landscape architect with over 25 year's experience. Originally from the UK he joined Hassell in 2010. Anthony leads a large team of landscape architects and urban designers working on projects across Western Australia and South-East Asia.   |
| Principal                 |   |
| HASSELL Perth             | In recent years Anthony was Principal landscape architect for projects such as Optus Stadium Park, WA Museum Boola Bardip, Sunset Heritage Precinct and Hibernian Place. These projects were all awarded by AILA. In recent years Anthony has focussed on strategic master planning work for government agencies such as City of Perth, Perth Zoo and the Burswood Park Board. He is currently leading the landscape and urban work on the new Causeway Pedestrian and Cyclist Bridges. |
