

KABC Community Litter Grants Recipients 2017-18

Organisation	Project Title	Funds Granted	Synopsis
City of Kwinana	Keep Kwinana Beautiful	\$9,090.91	This project proposes to implement and assess illegal dumping deterrence initiatives focusing on Kwinana's reserves and roadsides. This will be complimented by an education component for promoting responsible disposal of waste products which are frequently deposited upon bushland sites.
Merredin College	Nude Food Lunches	\$1,246.60	Nude Food Lunches - We would like to reduce the plastic produced at eating times by providing all families with reusable food packaging to reduce excessive packaging. They would be made by our primary students as part of a sustainability project.
Bunbury Harvey Regional Council	Litter Education Mascot	\$9,089.08	A pelican mascot costume and supporting promotional items for use at major events and shopping centres to educate and encourage the public to use bins. Additionally an initial purchase of reusable and compostable shopping bags for the community to reduce plastic bag usage.
Eco Faeries	Eco Hero Project	\$7,272.73	Create a series of three professionally made short educational videos for children aged 3-7 years that will be available for use at schools, community groups and for families at home. The videos will feature a message on waste in a colourful, comical and entertaining format suitable for the age range. They will be an informative and entertaining lesson with a catchy song that aligns with the theme.
Mundaring in Transition	Go 2 cups Mundaring	\$4,544.55	This project aims to reduce the amount of single use coffee cups being used within the Mundaring townsite by offering reusable cups that local café customers can borrow and return to a participating café in Mundaring.

Vic Park Transition Network [auspiced by Transition Town Guildford]	Borrow and Bring Back Community Dishes Kit	\$2,179.09	Combining litter prevention with community education, the Reusables/Waste Free Lending Kit provides free reusables for community members and local groups to borrow for events, reducing single-use items and litter, whilst explaining the impacts of litter and encouraging behaviour change.
Cape to Cape Plastic Free with Tangaroa Blue Foundation	South West Wash Against Waste	\$9,226.86	Wash Against Waste Marquee and Trailer reducing waste at markets, festivals and other events in the SW region offering drink and food consumers the choice of reusable ceramic cups, plates and cutlery which are returned and washed by volunteers.
