

Keep Australia Beautiful Community Litter Grants Recipients 2019-21		
Organisation	Project Title and Synopsis	Funds Granted
City of Bunbury	<p>Seabin Installation</p> <p>The Leschenault Inlet borders CBD area and has 2 separate boat ramp launching areas for recreational fishers. The inlet is a known litter collection area. It has internal mangroves to the north eastern area. There are no current collection methods for litter in amongst the mangroves and does not enable regular litter collection. Propose to introduce a seabin with education and signage.</p>	\$ 5,000.00
City of Cockburn	<p>Coastal cafe litter reduction program trial – Clean Ocean Cuppas</p> <p>The City proposes to trial a 6-mth 'Clean Ocean Cuppas' program in association with cafes along the Cockburn coastline. Participating cafes will be provided with litter collection kits to be lent out to community members. Each community member who returns a bucket full of litter will be rewarded with a free coffee/tea/soft drink.</p>	\$ 4,145.00
City of Kalamunda	<p>Zag and Tag</p> <p>Zig Zag is a key tourist destination, due to its isolation littering and illegal dumping is a problem. The proposed project will collect rubbish, litter and illegally dumped material with the aim to sort and weigh the waste to provide data to residents. This information will be displayed on interactive sign(s) that the City plans to install along Zig Zag Scenic Drive informing residents of the amount of litter collected and its related environmental, social and economic impacts. The aim is generate awareness and foster positive behavioural change.</p>	\$ 4,756.00
Cockburn Community Wildlife Corridor Inc	<p>Keep Blackwood Bush Beautiful</p> <p>A public education program and signage, blocking of tracks to prevent vehicular access and creating a culture of respect and care for bushland. An audit of litter will be undertaken in the area and an artist will design with schoolchildren a mural for signage that will be installed in the area. Clean ups and evaluation.</p>	\$ 4,525.00
Collie Tidy Towns Committee	<p>Banish Butts from Collie</p> <p>Collie is a Trails Town Hub, and it is planned to place bins at the head of trails to reduce fire risk. Installing cigarette butt disposal units at places where people congregate to smoke provides the means to alleviate this problem in a way that is not aesthetically objectionable, and is easy to maintain. This leads to a cleaner environment- Education, signs and advertising.</p>	\$ 2,935.00
Harvey Primary School P&C	<p>Alternatives to Plastic are fantastic: educating Harvey Primary School community to reduce plastic waste.</p> <p>The project aims to embed a litter-free culture within the School by introducing melamine cups and metal cutlery. The canteen uses plastic ware - up to 100 plastic items, 3 times a week being given to students and staff to then be expected to be placed in a bin. The Harvey Primary School P&C wants to use the canteen as an educational litter free tool for the school and families by introducing and explaining zero waste methods. The project is to eliminate all plastic serving ware and plastic cutlery from the canteen with the help of students and staff.</p>	\$ 853.00

Organisation	Project Title and Synopsis	Funds Granted
Hopetoun CRC	<p>Rethink the Way You Drink Rethink the Way You Drink': Portable Filtered Water Refill Station for use at outdoor community events will: promote an alternative to single-use plastic bottles by re-filling; educate awareness of the impact single-use bottles have on oceans, environment, waste management resources</p>	\$ 3,621.00
Multicultural Communities Council of WA	<p>Too beautiful to litter This project will influence peoples' motivations and support them to choose not to litter. Three strategies: Focus group discussions with multicultural communities, Creation of Local-area Litter Prevention (LALP) Group, Publication of multilingual infographics for sharing through social media platforms. It is expected that raising awareness and education will also build community engagement and support for litter prevention actions.</p>	\$ 1,500.00
Nannup Music Club Inc	<p>Litter Free Nannup Music Festival 10,000 visitors to Festival over one weekend. Creation and instalment of effective litter signage and easily distinguishable, uniform bin stations at six central locations within the festival site to prevent litter, combined with an educational and informative campaign to change litter behaviour. Design and creation of an aluminium can collection sculpture, as well as introduction of wash-down and "serveware library" stations strategically located.</p>	\$ 3,894.27
North Cottesloe Surf Life Saving Club Inc. (NCSLSC)	<p>North Cottesloe Beach Filtered Water Dispenser This Project aims to reduce the amount of plastic drinking bottles brought to the beach by providing a refillable filtered water bottle station. This project aligns with our Take 3 for the Sea initiative and our commitment to increase awareness of marine debris and help reduce local sources of pollution on our beaches.</p>	\$ 5,000.00
Shire of Manjimup	<p>Changing Habits – Educated Waste Reduction Via Community Events In the Shire of Manjimup, a vast majority of event waste comes from single-use plastic bottles. Aim ro provide two free mobile hydration stations and one permanent hydration station at the Heritage Park. in conjunction with our "It's in our nature" litter reduction project which aims to "Litter to Zero". A key element to this project is changing habits and creating space for event organisers, tourists and the wider community to consider alternatives to existing behaviours.</p>	\$ 8,500.00
Shire of Merredin	<p>Give a Hoot, Don't Pollute The project will educate the community on the waste that single use plastic creates, while offering an immediate solution to the problem – a drinking fountain and water refill station. The station will encourage residents visiting the shops and visitors stopping in Merredin to fill their multi use water bottle, as opposed to buying one. The fountain will be located outside the Visitors Centre in a central location.</p>	\$ 3,575.00
