

# Save water and money

*Locate and report leaks to 1300 137 677*

## How to check for leaks

1

Turn off taps and water-using appliances

2

Find your water meter

3

Record the 3 red numbers

00:15

4

Wait 15 minutes

5

Record the red numbers again

If the numbers have changed, this could mean you have a leak

## Where to look for a leak

- Dripping taps and leaking toilets
- The connections on your shower or washing machine
- Hot water system
- Garden hose and sprinklers

**If you have a leak, call Housing Direct on 1300 137 677 as soon as possible.**
