

Top tips to save water inside the home

Report dripping taps or leaking toilets as soon as you notice them:

- phone Housing Direct on **1300 137 677**, or
- submit an online maintenance request form at communities.wa.gov.au

Shower as long as a four minute song

Reducing your shower time is one of the easiest ways to save water.

Turn off the tap when brushing your teeth

A running tap can use up to 10 litres per minute.

Use the half flush button on the toilet

Save a few litres every flush.

Only wash with a full load

Reducing your washing by just one load a week will save up to 50 litres of water.

Stick to your watering days

Water either before 9am or after 6pm on your watering days.
