

# KARRAKATTA HISTORICAL WALK TRAIL THREE

# Walking with Western Australian Women

Explore the rich history of Karrakatta Cemetery, the largest cemetery in Western Australia. The Metropolitan Cemeteries Board, in collaboration with WA Women's Hall of Fame, has created a trail celebrating a selection of the State's most prominent and influential women of our history featured in Walking with Western Australian Women.

The trail is approximately five kilometres long and takes three hours to complete.

The easiest way to navigate the trail is to use this map and follow the route. Proceed down the driveway from the main entrance to the first gravesite. Each point of interest is identified with Historical Trail signage. If you have a smartphone or tablet be sure to take it along so you can scan the QR codes at each location.
