

Safe and Fair Reform Package

Long-term Goal

A robust building and construction industry that contributes to WA's strong economy and provides safe, fair and secure jobs

3 Reform Stages

Staged reform areas allowing the sector time to adapt

Stage 1 | Mid 2024

Supplier Code of Conduct
Enhancements to Department of Finance's contracting framework

Stage 2 | 2025

Best Practice Principles for projects
Further enhancements to Department of Finance's contracting framework

Stage 3 | 2026

Enhanced pre-certification of suppliers based on financial and technical assessment and compliance

Resulting in:

Resilient local building and construction industry

Ethical practices and behaviours

Flexible contracting approach that recognises market conditions

Improved transparency in tendering and evaluation processes

Cultural change to attract and retain a strong workforce
