Information on correcting a Western Australian certificate

This form should be used to correct information in a register held by the Western Australian Registry of Births, Deaths and Marriages.

If you want to correct the details on a birth, death or marriage certificate, the changes may include:

- Adding information that may not have been known at the time of registration
- Correcting a spelling mistake on the certificate
- Modifying information that was incorrectly supplied or omitted.

Any request to correct information must normally be supported by documentary evidence confirming the correct details.

Birth register - Applications to correct an entry in the register generally can only be made by the parties recorded on the certificate. To correct the registration if the person is under the age of 18 years, either parent named in the registration can make the application for amendment.

Death register - Applications to correct an entry in the register can only be made by the parties listed on the certificate, the person who provided the particulars at the time of death or the Funeral Director.

Marriage register - Applications to correct an entry in the register can only be made by the parties of the marriage.

Processing times - Allow up to ten (10) working days plus regular postal delivery time. If required, enclose a self-addressed Registered or Express Post envelope.

Fees

A fee is payable to correct a birth, death or marriage record that was produced as a result of incorrect or incomplete information being provided to the Registry and includes the issue of a replacement certificate.

Information regarding current fees is located on our website at www.justice.wa.gov.au/bdm.

If an error was made by the Registry, no fee is payable and a replacement certificate will be issued upon return of the incorrect certificate.
