

Application for exemption under regulation 5(1)(a)

Waste Avoidance and Resource Recovery Levy Regulations 2008

FORM LL02-01

Regulation 5 of the Waste Avoidance and Resource Recovery Levy Regulations 2008 sets out the circumstances under which licensees can apply to claim an exemption from the regulations.

Licensees are required to use this form to apply for an exemption under **regulation 5(1)(a)** being:

Waste that:

- (i) was accepted by the licensee at no charge
- (ii) is, or will be, used after the completion of landfill operations to cover waste disposed of at the licensed landfill in compliance with the conditions on the licence or any implementation conditions as defined in the *Environmental Protection Act 1986* section 3(1).

Instructions

Before submitting this application form, please ensure that you are using the current version of the [approved form](#), and that you have completed all required fields, signed the form and have included copies of required supporting information as set out in the form. **Incomplete or illegible applications will not be assessed.**

If there is insufficient space on any part of this form, please continue on a separate page and attach to this application form, ensuring that all pages are numbered.

In completing this form, please refer to the relevant [fact sheet](#) and the [waste levy exemptions guideline](#). For further assistance, please contact the Department of Water and Environmental Regulation (DWER) at wastelevy@dwer.wa.gov.au.

IMPORTANT: To be eligible for this exemption, the Part V licence or Part IV Ministerial Statement for the landfill must contain a condition requiring that cover is applied at the completion of landfill operations. If there is no condition in relation to the application of final cover at the landfill under a Ministerial Statement or licence, an exemption under regulation 5(1)(a) cannot be granted.
