

Application for exemption under regulation 5(1)(g)

Waste Avoidance and Resource Recovery Levy Regulations 2008

FORM LL02-07

Regulation 5 of the Waste Avoidance and Resource Recovery Levy Regulations 2008 sets out the circumstances under which licensees can apply to claim an exemption from the regulations.

Licensees are required to use this form to apply for an exemption under regulation 5(1)(g) being:

Waste used for construction or maintenance work carried out on the licensed landfill if:

- (i) the amount of waste is specified in advance in a plan prepared by a registered builder or an engineer
- (ii) no charge is made by the licensee for accepting the waste.

Instructions

Before submitting this application form, please ensure that you are using the current version of the [approved form](#), and that you have completed all required fields, signed the form and have included copies of required supporting information as set out in the form. **Incomplete or illegible applications will not be assessed.**

If there is insufficient space on any part of this form, please continue on a separate page and attach to this application form, ensuring that all pages are numbered.

In completing this form, please refer to the relevant [fact sheet](#) and the [waste levy exemptions guideline](#). For further assistance, please contact the Department of Water and Environmental Regulation (DWER) at wastelevy@dwer.wa.gov.au.

Part 1 – Licence details	
This information relates to the licence issued for the landfill under the <i>Environmental Protection Act 1986</i> .	
DWER licence number	<input type="text"/>
Licensee name	<input type="text"/>
Name of landfill facility	<input type="text"/>

Part 2 – Applicant contact details		
Name	<input type="text"/>	
Position title	<input type="text"/>	
Email	<input type="text"/>	
Phone	<input type="text"/>	Mobile <input type="text"/>

Part 3 – Period covered by application	
Period for which an exemption is sought (i.e. the period in which the waste to be used in the construction or maintenance work will be, or has been, received at the landfill):	
From	to
<input type="text"/>	<input type="text"/>
Note: The duration of the exemption cannot exceed the duration of the landfill licence.	

Part 4 – Waste for which the exemption is sought	
Description of the construction or maintenance works that are being undertaken:	
<input type="text"/>	
Total quantity of waste for which the exemption is sought:	
<input type="text"/>	<input type="text"/> m ³ or <input type="text"/> tonnes
Note: This should be consistent with the amount of material specified in a plan prepared by a registered builder or engineer, which must be provided to support this application.	
Description of the waste:	
<input type="text"/>	
Has the waste been, or will the waste be, accepted at the landfill at no charge?	<input type="checkbox"/> Yes <input type="checkbox"/> No

Part 5 – Required supporting documentation/information	
This application will not be processed without all the below documents being provided:	
<input type="checkbox"/>	Plans prepared in advance by a registered builder or engineer which: <ul style="list-style-type: none"> illustrate in (a) drawing(s) the construction or maintenance work to be completed, including cross-sections stipulate the amount of waste that is required to complete the work demonstrate how the required volume of waste was calculated, including the conversion factor used to convert the volume to weight (for category 64 or 65 landfills) detail what waste materials are proposed to be used show the location of the proposed works in relation to the entire site and landfill cells.
<input type="checkbox"/>	Copies of the registered builder’s or engineer’s qualifications.
<input type="checkbox"/>	Evidence that the licensee did not, or will not, charge to accept the waste at the landfill.

Lodgement			
By signing this form, you are declaring that the statements on this form are true and correct.			
Signature of the licensee/applicant	<input type="text"/>	Date	<input type="text"/>
Applications should be addressed to the waste levy team:			
By email: wastelevy@dwer.wa.gov.au		In person or by courier:	
By mail: Department of Water and Environmental Regulation Waste Data Locked Bag 10 JOONDALUP WA 6919		Reception Department of Water and Environmental Regulation Prime House 8 Davidson Terrace JOONDALUP WA 6027	
The department recommends that a copy of this form is retained by the licensee.
