|------------------------------------------------------------------------------------------------------|----------|
| <b>Introduction</b> .....                                                                            | <b>1</b> |
| Purpose.....                                                                                         | 1        |
| Further Information.....                                                                             | 1        |
| <b>Amendment Log</b> .....                                                                           | <b>2</b> |
| Current Version .....                                                                                | 2        |
| Previous Versions (Superseded) .....                                                                 | 2        |
| <b>Version 2 – Effective 1 July 2024</b> .....                                                       | <b>3</b> |
| Overview (p.7).....                                                                                  | 3        |
| Section C - Procurement Planning (p.10).....                                                         | 3        |
| Appendix 4 – List of covered State Agencies (for the purposes of Free Trade Agreements) (p.45) ..... | 3        |

# Introduction

---

## Purpose

This document provides information to State agencies about changes to the Western Australian Procurement Rules (Rules) via:

- An amendment log; and
- An overview of the changes between versions of the Rules.

## Further Information

If you require further information about the Rules or the changes described in this document, please contact [procurementadvice@finance.wa.gov.au](mailto:procurementadvice@finance.wa.gov.au).

# Amendment Log

---

## Current Version

| Version | Commenced   | Status                                                                 |
|---------|-------------|------------------------------------------------------------------------|
| 2       | 1 July 2024 | In effect since 1 July 2024 via General Procurement Direction 2024/01. |

## Previous Versions (Superseded)

| Version | Commenced   | Notes                                                            |
|---------|-------------|------------------------------------------------------------------|
| 1       | 1 June 2021 | Revoked by General Procurement Direction 2024/01 on 1 July 2024. |

# Version 2 – Effective 1 July 2024

---

Version 2 of the Rules came into effect on 1 July 2024 and replaced version 1 of the Rules via General Procurement Direction 2024/01. This section provides an overview of the changes between these two versions.

## Overview (p.7)

This section has been updated to remove references to specific monetary thresholds identified in the [Department of Finance Free Trade Agreement Guidelines](#). State agencies should refer directly to this webpage for this information.

## Section C - Procurement Planning (p.10)

Rule C1 in Section C has been updated to:

- clarify how State agencies must involve the Department of Finance in applicable Procurements; and
- include new State agencies that have had their Works procurement powers confirmed under their enabling legislation.

## Appendix 4 – List of covered State Agencies (for the purposes of Free Trade Agreements) (p.45)

The table in this section has been updated to reflect a State agency name change, and to include new State agencies that have had their Works procurement powers confirmed under enabling legislation.
