Explanatory Notes

1: Verified offences are all offences reported to or becoming known to police within the relevant time period that have not been determined to be falsely or mistakenly reported. The number of verified offences in this table were not necessarily committed in the period indicated.

2. The Sanction Rate is based on all verified offences that have had an outcome in the relevant time period divided by the number of offences verified in the same time period.

Explanatory Notes

1: Verified offences are all offences reported to or becoming known to police within the relevant time period that have not been determined to be falsely or mistakenly reported. The number of verified offences in this table were not necessarily committed in the period indicated.

2. The Sanction Rate is based on all verified offences that have had an outcome in the relevant time period divided by the number of offences verified in the same time period.

Explanatory Notes

1: Verified offences are all offences reported to or becoming known to police within the relevant time period that have not been determined to be falsely or mistakenly reported. The number of verified offences in this table were not necessarily committed in the period indicated.

2. The Sanction Rate is based on all verified offences that have had an outcome in the relevant time period divided by the number of offences verified in the same time period.

Explanatory Notes

1: Verified offences are all offences reported to or becoming known to police within the relevant time period that have not been determined to be falsely or mistakenly reported. The number of verified offences in this table were not necessarily committed in the period indicated.

2. The Sanction Rate is based on all verified offences that have had an outcome in the relevant time period divided by the number of offences verified in the same time period.

Explanatory Notes

1: Verified offences are all offences reported to or becoming known to police within the relevant time period that have not been determined to be falsely or mistakenly reported. The number of verified offences in this table were not necessarily committed in the period indicated.

2: Rate per 100,000 people is based on the Australian Bureau of Statistics Estimated Resident Population for 2014, with the Great Southern District population being 83,745.

Data extracted from Incident Management System on 6 July 2016.

Explanatory Notes

1: Verified offences are all offences reported to or becoming known to police within the relevant time period that have not been determined to be falsely or mistakenly reported. The number of verified offences in this table were not necessarily committed in the period indicated.

2. The Sanction Rate is based on all verified offences that have had an outcome in the relevant time period divided by the number of offences verified in the same time period.
