2. Purpose

Establish the income and asset limits for Community Housing Organisations to apply when assessing initial and continuing eligibility.

This Policy is designed to:

- support Community Housing Organisations to service the social housing and affordable rental markets; and
- facilitate the movement of over income public housing tenants into properties managed by Registered Community Housing Organisations with stock growth commitments negotiated with the Housing Authority operating within the Department of Communities.

3. Scope

This Policy applies to Registered and Unregistered Community Housing Organisations in receipt of financial and other assistance from the Housing Authority (operating within the Department of Communities) to provide social housing and/or affordable housing to its tenants. This Policy does not apply to the provision of Crisis Accommodation.

4. Definitions

Affordable Housing means housing that must be leased to Eligible Persons at a rent less than 75 per cent of Market Rent or in accordance with the relevant policies.

Asset means any property or item of value the household owns or has an interest in, including those held outside Australia.

Band A refers to households who meet the Public Housing eligibility criteria (for a single person up to \$27,336 per annum) (Table 2).

Band B refers to households with income exceeding the eligibility criteria for Public Housing and not exceeding the eligibility criteria for entry to the National Rental Affordability Scheme (for a single person up to \$61,322 per annum) (Table 3).

Community Housing means Social Housing and/or Affordable Housing owned or otherwise under the legal control of a Community Housing Organisation.

Community Housing Organisation means any not-for-profit organisation incorporated under the Law of the Commonwealth of Australia or the State of Western Australia, or a Local Government, whose primary objective is to provide Crisis Housing, Social Housing and/or Affordable Housing to Eligible Persons in Western Australia.

Department of Communities (Communities) means the State Government agency established on 1 July 2017 under the *Public Sector Management Act 1994* and designated as the department primarily responsible for assisting the respective entities in the administration of legislation including the *Housing Act 1980*, the *Disability Services Act 1993* and the *Children and Community Services Act 2004*.

Disability means any person with an intellectual, psychiatric, cognitive, neurological, sensory or physical impairment that is permanent or likely to be permanent, which impacts on the housing needs of that person in terms of housing design, amenity level or proximity to appropriate medical and support services.

Eligible Persons means persons who meet the Housing Authority’s eligibility criteria for Affordable Housing or Social Housing (as applicable) as set out in this Policy.

Housing Authority means the Housing Authority established pursuant to the *Housing Act 1980 (WA)*.

National Rental Affordability Scheme is an Australian Government initiative under which properties are rented to eligible low-to-moderate income tenants. The entry income limits for tenant eligibility under this scheme are used as Band B income eligibility limits (Table 3).

North/West Remote and; Metro/South West means the areas depicted in Figure 1.

Public Housing is rental housing owned and operated by the Housing Authority.

Registration means the state of being registered by the Housing Authority as a Community Housing Organisation.

Rental Policy Manual refers to the Housing Authority’s Rental Policy Manual which contains all policies related to public rental housing. The current version is accessible from www.housing.wa.gov.au

Social Housing refers to rental housing by the Housing Authority and Community Housing Organisations for Band A households.

Tenant refers to a person or persons who are charged rent by a Community Housing Organisation for occupying premises from time to time.

Unregistered refers to a Community Housing Organisation that has not achieved Registration status.

5. Policy Statement

All Community Housing Organisations will apply the applicable income and asset eligibility tests listed in Table 1:

- Registered Community Housing Organisations housing the mix of tenants specified in relevant policies and agreements will apply the Band A and the Band B Income Eligibility Limits as appropriate.
- Unregistered Community Housing Organisations will only apply the Social Housing Income Eligibility Limits.
- Community Housing Organisations will apply the limits set by this policy until an update is issued by the Housing Authority (or by Communities acting on the Housing Authority's behalf).

Type of tenant	Income test	Asset test
Band A	Social Housing Income Eligibility Limits (see 6.1)	Public Housing Asset Limits (see 7.1)
Band B	Affordable Housing Income Eligibility Limits (see 6.2)	Centrelink Asset Limits (see 7.2)

6. Income Eligibility Limits

- The income eligibility limits to be applied by Registered and Unregistered Community Housing Organisations are listed below.
- To recognise the additional costs faced by people with disabilities, a loading is added on to each income limit. This is reflected in the tables below.
- To recognise the additional costs of living in the North West and remote parts of Western Australia, a loading is added on to each income limit. This is reflected in the tables below.
- Weekly and annual income limits, rounded to the nearest whole dollar, are provided for convenience.

6.1. Social Housing (Band A) Income Eligibility Limits

To be eligible for Social Housing, the combined weekly gross income of the applicant, partner and co-applicant must be within Public Housing Income Limits listed in Table 2.

For clarification on determining income sources and applying income limits see the Rental Policy Manual; Eligibility Policy.

The weekly income limits are converted to annual limits for convenience, using the multiplier 313/6, rounded to the nearest dollar.

- Band B income eligibility limits are the 'Initial household income limits' of the National Rental Affordability Scheme (**NRAS**).
- To convert the annual eligibility limits provided on the NRAS website to a weekly amount, apply the following formula:
 - $\frac{\text{Annual \$ limit}}{(313/6)} = \text{Weekly \$ limit}$
- To add the loadings for households including a person with a disability, and households in the North West/Remote areas, apply a 25% loading for each purpose. For example, for a household in the North West with a person with a disability, increase the metro limit by 25% (for location), and then increase that by a further 25% (for disability).

7. Asset Eligibility Limits

- Households must not own or be part owner of property or land that constitutes a viable housing option. Clarification on this criterion can be found in the Rental Policy Manual; Eligibility Relating to Property Ownership and Other Residences.
- The asset eligibility limits to be applied by Registered and Unregistered Community Housing Organisations are listed below.

7.1 Social Housing (Band A) Asset Eligibility Limits

- The Public Housing cash asset limits listed in Table 4 applies to Band A tenants.
