- 2.3 Notwithstanding anything to the contrary contained in the Scheme if, in particular circumstances giving rise to Occupational Liability, the liability of any person who is subject to the Scheme is capped both by the Scheme and also by any other scheme under the Act or a corresponding law and, if the amount of such caps should differ, then the cap on the liability of such person arising from such circumstances which is higher shall be the applicable cap.

3. Persons to whom the Scheme applies

- 3.1 Subject to clauses 3.2 and 3.3, the Scheme applies to any person covered by or holding an approved professional indemnity insurance policy within the meaning of the Legal Professional Uniform Law and who is either a—
- 3.1.1 Solicitor Member;
 - 3.1.2 Incorporated Legal Practice Member; or
 - 3.1.3 a person to whom the Scheme applies, by virtue of sections 18, 19 or 20 of the Act¹.
- 3.2 A person referred to in clause 3.1 does not include a person who—
- 3.2.1 is a corporate legal practitioner;
 - 3.2.2 is a government legal practitioner;
 - 3.2.3 is a community legal service legal practitioner; or
 - 3.2.4 has been granted an Australian practicing certificate by the Law Society Council by reason of s 44(5) of the Legal Profession Uniform Law and r 18 of the Legal Profession Uniform General Rules 2015 (NSW).
- 3.3 A person referred to in clause 3.1 may, on application, be exempted from participation in the Scheme by the Law Society Council with effect from the date specified by the Law Society Council. This clause does not apply to persons to whom the Scheme applies by virtue of sections 18, 19 or 20 of the Act.
- 3.4 The Law Society Council may, upon application by an Exempted Member, revoke an exemption of that person from participation in the Scheme with effect from the date specified by the Law Society Council.

4. Limitation of liability

- 4.1 The Scheme only affects the Occupational Liability of a Participating Member for Damages arising from a single cause of action founded on an act or omission to the extent to which the liability results in Damages exceeding the amounts specified in the table in clause 4.3.
- 4.2 If a person who is, or was, at the time of the act or omission giving rise to Occupational Liability, a person to whom the Scheme applies, or applied, and against whom a proceeding relating to Occupational Liability is brought is able to satisfy the Court that such a person has the benefit of an insurance policy or policies—
- 4.2.1 of a kind which, at the time of the act or omission giving rise to the Occupational Liability, complies with the standards then determined by the Law Society Council;
 - 4.2.2 that insures such person against Occupational Liability to which the cause of action relates; and
 - 4.2.3 under which the amount payable in respect of that Occupational Liability² is not less than the amount of the monetary ceiling (maximum amount of liability) specified in clause 4.3 of this Scheme,
- then the person is not liable in damages in relation to that cause of action above the amount of that monetary ceiling.
- 4.3 The monetary ceiling (maximum amount of liability) applicable for the purposes of limitation of liability under the Scheme is to be determined according to the following table—

Class	Description	Monetary ceiling (Maximum amount of liability)
1	Participating Members who were at the Relevant Time in a Law Practice consisting of up to and including 20 Principals and where the Law Practice generates total annual fee income for the financial year at the Relevant Time up to and including \$10 million.	\$1.5 million
2	(a) Participating Members who were at the Relevant Time in a Law Practice consisting of more than 20 Principals; or	\$10 million

¹ Sections 18 and 19 of the Act provide that if the Scheme applies to a body corporate, the Scheme also applies to each officer of the body corporate and if the Scheme applies to a person, the Scheme also applies to each partner and employee of that person, provided that if such officer of the corporation or partner or employee of the person is entitled to be a member of the same occupational association, such officer, partner or employee is a member. Section 20 provides that the Scheme also applies to other persons prescribed by the regulations for the purposes of section 29 (4) as being associated with persons to whom a scheme applies.

² Section 4(1A) of the Act provides that a reference in the Act “to the amount payable under an insurance policy in respect of an occupational liability includes a reference to –

- (a) defence costs payable in respect of a claim, or notification that may lead to a claim (other than reimbursement of the defendant for the time spent in relation to the claim), but only if those costs are payable out of the one sum insured under the policy in respect of the occupational liability; and
- (b) the amount payable under or in relation to the policy by way of excess.

However, see also section 26A of the Act and its note, which has the effect that section 4(1A) does not reduce the cap on the liability in damages of the Participating Member to a client.

Class	Description	Monetary ceiling (Maximum amount of liability)
	(b) Participating Members who were at the Relevant Time in a Law Practice where the Law Practice generates total annual fee income for the financial year at the Relevant Time greater than \$10 million.	

4.4 Clause 4.2 does not limit the amount of Damages to which a person to whom the Scheme applies is liable if the amount is less than the amount specified for the purpose of this Scheme in relation to a person to whom the Scheme applies.

4.5 The Scheme limits the Occupational Liability in respect of a cause of action founded on an act or omission occurring during the period when the Scheme was in force of any person to whom the Scheme applied at the time of the act or omission.

5. Conferral of discretionary authority

5.1 The Law Society Council has discretionary authority, on application by a Participating Member, to specify in relation to the Participating Member a higher maximum amount of liability than would otherwise apply under the Scheme, either in all cases or in any specified case or class of case.

5.2 If, in the exercise of discretion under clause 5.1, the Law Society Council has specified a higher maximum amount of liability than would otherwise apply under the Scheme in relation to a Participating Member, after satisfying itself that there is evidence of professional indemnity insurance commensurate with the higher maximum amount of liability sought, then the maximum amount of liability in relation to that Participating Member is that higher maximum amount.

6. Commencement and Duration

6.1 The Scheme will commence—

6.1.1 in New South Wales, Victoria, Queensland, Western Australia, Tasmania, and the Northern Territory on 22 November 2024; and

6.1.2 in the Australian Capital Territory and in South Australia, on this same date, or such other later date, provided the date is specified in the relevant Minister's notice in relation to the Scheme; or

6.1.3 in all other cases, subject to the statutory provisions of each applicable jurisdiction.

6.2 The Scheme will be in force in all applicable jurisdictions for five (5) years from the date of its commencement in New South Wales.

6.3 Clause 6.2 is subject to the corresponding law of each jurisdiction in relation to the revocation, extension or cessation of a scheme.

Definitions

Firebreak—

A strip of mineral earth land free of all flammable material with the intention of minimising the spread or extension of a bushfire and provide safe access on the property for emergency vehicles and other firefighting operations. Clearance must be 3 metres wide and 4 metres in height as close as practically possible, inside and along all boundaries of the perimeter of the land. Living green lawn is acceptable in lieu of mineral earth firebreaks, provided that the same width and height requirements for a firebreak are maintained. Must have a corner turning radius of up to 10 metres. Must be a continuous trafficable surface for a 4WD vehicle and be clear of any obstructions and must not terminate in a dead end.

Asset Protection Zone—

Maintain a fuel-reduced zone around all habitable buildings or assets which extends 20 metres (m) from the outermost point of the building or asset. Fuel load within the 10m inner zone is reduced and maintained to no more than 2 tonne per hectare. Fuel load within the 10-20m outer zone is reduced and maintained to below 8 tonne per hectare. Trees over 5m in height within the 20m zone to be under pruned up to 2m. Trees or shrubs within 3m of the asset shall be pruned to a maximum height of 2m and/or pruned to ensure a 2m wide vertical clearance from the asset. Fuel Load: Can be live and dead vegetation that accumulates over time. This Notice refers only to dead vegetation. A fuel load depth of 15mm (fine fuels) to the mineral earth is indicative of approximately 8 tonne per hectare. The more fuel load, the higher the flame height and increased fire intensity. Mulch piles, stored firewood and burn piles can contribute to fuel loading on land and must be stored safely away from assets, removed from the property, or actioned as directed by a Fire Control Officer. Fine fuels include Leaf litter, grasses, twigs (up to 6mm diameter), bark etc.

Flammable Material: Any bush, plant, tree, grass, vegetation, object, or material that may or is likely to catch fire and burn.

WAYNE JACK, Chief Executive Officer.
