SALARIES AND ALLOWANCES TRIBUNAL DRAFT DETERMINATION ON MEMBERS OF PARLIAMENT REMUNERATION AND ALLOWANCES EFFECTIVE FOR THE 42ND PARLIAMENT

The Salaries and Allowances Tribunal has released a draft Determination in relation to the remuneration and allowances to be paid to Members of Parliament effective for the 42nd Parliament.

This determination introduces several changes as a result of the *Constitutional and Electoral Legislation Amendment (Electoral Equality) Act 2021*, which reforms the structure of the Legislative Council following the next State election in 2025, where the six Legislative Council Regions will be replaced with a single whole of State electorate. The changes are described in the preamble of the Determination.

The Determination is available online at www.wa.gov.au/organisation/salaries-and-allowances-tribunal

The Tribunal welcomes feedback from interested stakeholders on the draft. If you wish to provide your feedback, please email submissions@sat.wa.gov.au by **15 November 2024**. The Tribunal will examine and consider all feedback received prior to issuing the finalised determination prior to the end of the year.
