### **Communique – 4 June 2024**

The TISC considered the following matters:

#### **Central Information Point for Family and Domestic Violence**

The TISC discussed the WA Government's support for the establishment of a Central Information Point (CIP) to share existing information relevant for risk assessment and the management of Family and Domestic Violence (FDV). The Department of Jobs, Tourism, Science and Innovation (JTSI) is leading the development of a Digital Industries Acceleration Strategy (Strategy) for Western Australia. The Strategy sets out to facilitate the digital enablement and empowerment of Western Australian businesses and industries, with a focus on accelerating their digital transformation.
